Dear Mr. Poltorzecki,

On behalf of ESKA, its Executive Board and the officers and members of ESKA, I would like to thank the Polish Karate Federation and the Organising Committee of the 26th ESKA-Championships for the successful organisation of the European ESKA-Championships 2011 in Bielsko-Biała, Poland.

This was one of our largest and most successful championships ever and has helped to establish the standards for the organisation of future ESKA events.

I would be grateful if you would convey to all officers, staff and assistants of the organising team the appreciation of ESKA for their hospitality, discipline and outstanding organisational skills.

Thank you once again.

Yours sincerely,
